

Invitation to Bid

Bid # KPD17-003

The City of Kingman Police Department will accept written bids for

One (1) 2017 Ford Explorer FWD

Bids to be submitted to the City Clerk, 310 N. 4th Street, Kingman, AZ 86401 by **3:00 p.m., MST, Monday, August 29, 2016**. Bids will be opened at this time.

Bids will be considered for award at the next regularly scheduled Council Meeting to be held on Tuesday, September 6, 2016. The Council reserves the right to reject any or all bids.

Bidding specifications and bid sheet can be obtained from Jennifer Sochocki, 2730 E. Andy Devine Avenue, Kingman, AZ 86401, (928) 753-2191 or Deputy Chief Rusty Cooper.

Delivery: All vehicles shall be delivered to the successful upfitter's location on or before the date of delivery as submitted on the bid sheet. Vehicles that are bid with an expected delivery time in excess of 60 days from the date of order may be grounds for the bid to be awarded to the second lowest bidder.

Bid Award: Bids will be awarded to the lowest responsive bidder.

If you have any questions regarding these bid specifications, please contact Jennifer Sochocki, 928-753-2191 or Email jsochocki@cityofkingman.gov

The undersigned certifies that he or she is an authorized agent of the bidder and is empowered to enter into a contract with the City of Kingman for the purpose stated herein. Further, this offer must meet all of the bid specifications and requirements. Please see the attached sheet for the requirements.

Bidder's Legal Name: _____

Address: _____

Phone Number: _____

Authorized Signature: _____

Printed Name & Title: _____

AZ. Sales Tax (use tax) License No. _____

Conditions:

If any of the equipment bid varies from the specifications, such variations must be submitted in writing and included with the bid package.

The City of Kingman reserves the right to waive minor variations if, in the opinion of the City of Kingman, the basic unit meets the general intent of these specifications.

The complete equipment/material bid shall not include a major component that is of a prototype nature or has not been in production a sufficient length of time to demonstrate reliability.

Substitution for Specifications:

Whenever in the specifications any materials or process is indicated or specified by patent or proprietary name and/or by name of manufacturer, such specifications shall be deemed to be used for the purpose of facilitating descriptions of the material and/or process desired and shall be deemed to be followed with the words "or equivalent." The bidder may offer any material(s) or process(es) which shall be equal in every respect to that so indicated or specified provided, however, that if the material(s), process(es) or article(s) delivered by the bidder must furnish the material(s), process(es) or article(s) specified, or one that, in the opinion of the City of Kingman, is equal.

Exceptions to Specifications:

The fact that manufacturers choose not to produce equipment or materials to meet these specifications will not be considered sufficient cause to adjudge these specifications as restrictive. Bidders shall offer the equipment that comes closest to meeting these specifications. The bidder shall note where deviations from specifications are necessary.

Warranty:

Bidder shall state on the Bid Sheet the conditions and durations of the warranty being offered and include pertinent information in detail on an attachment to the bid. For bidding purposes, only standard warranty coverage will be considered. Additional warranty coverage may be offered at the time of the bid, but will not be considered as part of the bid and shall not be included in any bid prices.
