Novus Agenda Training

As part of the Fiscal Year 2105-2016 budget the City Council approved the acquisition of an electronic agenda management system. The City Clerk's Office has contracted with Novus Agenda Solutions to utilize their program to implement electronic paperless agendas. The City Council will receive training on this new program from a Novus Agenda representative, the City Clerk's Office, and the City's Information Technology Department. This training will consist of a mock City Council meeting to allow Council members the opportunity to learn how the system will operate during a real meeting. No action will be taken during this meeting and this is for training purposes only.
