WORK SESSION MEETING OF THE COMMON COUNCIL

ALL WORK-SESSION ITEMS LISTED ARE FOR DISCUSSION ONLY. NO ACTION CAN OR WILL BE TAKEN. The primary purpose of work session meetings is to provide the City Council with the opportunity for in-depth discussion and study of specific subjects. Public comment is not provided for on the Agenda and may be made only as approved by consensus of the Council. In appropriate circumstances, a brief presentation may be permitted by a member of the public or another interested party on an Agenda item if invited by the Mayor or City Manager to do so. The Mayor may limit or end the time for such presentations.

**CALL TO ORDER & ROLL CALL
PLEDGE OF ALLIGENCE**

- 1. Update of Information Regarding Building Permits**
Financial Services Director Moline provided Council with building permit numbers in the property tax presentation during the 1/19/16 City Council meeting. To clarify, those numbers are TOTAL permits issued, not new housing start permits. This item is for informational purposes only.
- 2. Information Regarding Ordinance 1799 to Extend the 0.5% Transaction Privilege Tax Sunset to 12/31/17**
When Ordinance 1799 was drafted, the entire Kingman Tax Code was included in it. Because ARS §9-812 requires publication of Ordinances, publishing the entire Ordinance would cost the City approximately \$14,000. Staff will bring back Ordinance 1799, revised, to reference each affected category rather than reference the entire Code. In doing so, the 60-day notification requirements will need to be met, and a public hearing will need to be conducted. This item is for informational purposes only.
- 3. Council Planning and Goal Setting Session**
Discussion and/or Direction for the City Manager
