In addition to the Building Permit fee, there are...

Other Fees

...often charged in association with Building Permits.

These may include, but are not limited to:

- Plan Review Fee {by Kingman Code 65% of the Permit Fee amount}
- Hourly Plan Review Fee {see adopted Permit Fee Table 1-A}
- Grading Permit Fee
- Grading Review Fee
- Sewer Investment Fee {\$91.00 per DFU}
- Development Investment Fee {see Chapter 2, Article XIV of the Kingman Code}
- Water Meter Fee(s)
- ROW Fee
- Assessments
- Pay Backs
- Other

Establishing a fair estimated fee amount for each of these fees depends on the specific parameters of the project. City staff will be glad to assist you in understanding how to estimate these fees for your project. Please ask for an appointment.
