

Internal / External Job Announcement

Engineering Technician I—CAD

City Engineering Department

Salary: \$17.50 - \$20.84 DOE
Excellent Benefits!!

City of Kingman

The City of Kingman Engineering Department is seeking an individual with demonstrated experience with CAD, GIS, AutoCAD and some design work to join our team! Our City is prime for growth and we are searching for someone who wants to contribute to our team and the public we serve.

Note Reference Examination: The City of Kingman reserves the right to consider the candidates who best overall meet the qualifications and suitability of the position in the succeeding examination processes: experience and training evaluation, testing and/or interviews. After an offer of employment has been made, appointment may be subject to successful completion of a criminal background check and any other appropriate testing/evaluation commensurate with the offered position.

Note Reference American Disabilities Act: When advised, reasonable accommodations will be made in order for an "otherwise qualified applicant" with a disability to participate in any phase of the recruitment process. The City of Kingman does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services. **EOE**

The ideal candidate would possess experience in maintaining and updating engineering databases of engineering drawings, land and utility record maps, and other associated databases utilizing computer aided design tool database applications, scanning applications and other computer software and hardware, and performing routine design/drafting operations for engineering projects. It is an exciting time to be part of Engineering and the City of Kingman! A great opportunity exists to apply your skills to engineering projects—expand your professional growth and knowledge!

Position provides great opportunities to work with a variety of contacts, the ability for the candidate to work on their own and with a team, and have exposure to and responsibility for a variety of projects.

Desired Education and Experience:

- Graduation from a high school or GED, supplemented by two (2) years of related technical or college training in Algebra, Trigonometry, Physics, Land Surveying, Civil Engineering, Drafting, Computer-Aided-Design (CAD), Geographic Information Systems (GIS), Cartography, or a closely related field; and
- Minimum of one (1) year related experience in civil engineering drafting; or
- Any equivalent combination of education, experience and training which demonstrates the knowledge and experience to perform the work.

Special Requirements:

- Valid Arizona Driver's license or ability to obtain one prior to employment
- Skill in the use of civil computer-aided design/software, experience in the use of AUTO-CAD, Geographic Information Systems (GIS), and care of computer equipment and drafting tools and instruments.

**APPLY NOW! On-line application materials, with resume,
accepted through August 8, 2016**
