

Water Technician B Public Works Department—Water Operations \$16.67/hour or DOE, Excellent Benefits

The City of Kingman Public Works Dept., Water Operations, is seeking an individual to work with our water treatment facilities and water distribution systems. We are seeking an individual with a positive attitude who is dedicated to providing exceptional customer service to the Kingman Community. The successful candidate should be a demonstrated team player who communicates effectively with co-workers and the general public.

We offer a full-time position with excellent benefits (i.e., Medical, Dental, Vision, Retirement Plan, etc.) and an enjoyable work environment with great people to work with and for!

Join our team in providing quality service to our customers and the community we serve!

DESIRED MINIMUM QUALIFICATIONS:

Education and Experience:

- Graduation from high school diploma or GED equivalent; and
- One (1) year general construction, maintenance repair work and/or equipment maintenance experience, including one (1) year of operational experience in water treatment or distribution processes and systems as a certified Water Treatment Operator I and/or Water Distribution Operator I; or
- Two (2) years of post-secondary education in a related technical field and one (1) year of general construction, maintenance repair work and/or equipment maintenance experience, including six (6) months of operational experience in water treatment or distribution processes and systems as a certified Water Treatment Operator I and/or Water Distribution Operator I; or
- Bachelor's degree in a qualifying discipline and six (6) months of qualifying experience; or
- Any combination of experience and training which demonstrates the knowledge and experience to perform the work.

SPECIAL REQUIREMENTS:

- Valid Arizona State driver's license.
- Valid Arizona Certification at a minimum level of a Water Treatment Operator Grade I, and/or Water Distribution Operator Grade I.
- Based on assignment, may be required to participate and obtain NIMS (National Incident Management System) training certifications.
