

SPRING CLEAN-UP

Kingman Citywide Area Clean-Up Planned for May

The Kingman Clean City Commission and the City of Kingman Sanitation Department are pleased to announce that the Kingman Special Trash Haul Clean-up is planned for the month of May 2017. This special clean-up is available to residential customers that are **within the Kingman city limits only**. You may contact the City of Kingman Water Department at 753-5561 (option 1), or the City of Kingman Public Works Department at 692-3115 during the month of May to request an extra trash pick-up for a nominal fee of just **\$3.00**. All requests for special trash pick-up that are received prior to 5/1/2017 or after 5/31/2017, will be billed at the normal rate of \$15 per five cubic yards.

Requests are limited to one special trash pickup per residential lot or property.

Items that **cannot** be accepted in this special pickup include:

- ⊘ Concrete, brick, dirt, rock or gravel
- ⊘ Tires
- ⊘ Batteries, motor oil, paint, lawn or pool chemicals or other hazardous waste
- ⊘ Refrigerators or air conditioners **unless** cooling compressors or coils are removed
