

**CITY OF KINGMAN  
CERTIFICATE OF APPRECIATION  
NOMINATION APPLICATION**

The City of Kingman and the Clean City Commission recognize the need and desirability of a litter free and aesthetically pleasing community. This program has been established to reward community and civic organizations as well as private businesses and citizens for outstanding efforts in keeping Kingman clean.

To be considered for a Certificate of Appreciation one of the following criteria must be met:

1. The recipient must have made an effort that results in a reduction in litter in the Kingman community.
2. The recipient must have made an effort that promotes the understanding and importance of waste management from education to the provision of opportunities to recycle.
3. The recipient must have made an effort that assists community beautification efforts including painting of buildings, removing weeds, planting trees, etc.
