Community Risk Reduction visited CANTEX this month teaching proper use of fire extinguishers to 131 employees. Bicycle and water safety were taught to Parks and Recreation's Summer Fun Dayz as well as the Club For Youth. We put on a fun water day for both Summer Fun Dayz and the Club For Youth. The water day consisted of having to use teamwork to fill buckets of water with buckets of water like in the olden days of firefighting. CRR was able to last minute form an escort provided by Kingman Fire Department, Mohave County Sheriff's Office and Kingman Police Department. The escort was for a local young lady who had arrived home from her last treatment after a long battle with cancer. This event was put together in less than 24 hours and was an extreme success. Over 1500 citizens lined the streets along the route of the escort showing unbelievable support. We assisted 5 residence with smoke alarm issues and installed 5 new smoke alarms provided by the owner. We also installed 4 Knox Boxes for the community.
