CITY OF KINGMAN REZONING APPLICATION PROCEDURES

In accordance with the adopted rules and regulations of the Kingman Planning and Zoning Commission, the following procedures shall be followed, and the following information shall be included in the Rezoning Application:

1. **APPLICATION PROCEDURE**: Prior to making formal application for a rezoning, the applicant, or their designated representative, is encouraged to review their proposal with a member of the City of Kingman Planning and Economic Development staff. This meeting is designed to determine if the applicant's proposal will conflict with any provisions on the City's General Plan, Zoning Ordinance, or other City studies. The staff member will discuss the appropriate zoning classification needed for the proposed use and discuss possible issues which could arise regarding the rezoning request. Please call the Kingman Planning and Economic Development Department at (928) 753-8130 to schedule a meeting.
2. **FILING**: The filing requirements are indicated on page 1 of the application.
3. **REVIEW PROCESS**: Upon receipt of all required materials listed in the Rezoning Checklist, in accordance with ARS §9-835, an administrative review is conducted to determine the completeness of the application. The maximum time frame to complete this administrative review is ten (10) working days. The applicant and/or designated representative shall be notified by telephone/mail/or e-mail of any deficiencies in the application.

Once the administrative review is complete, Planning staff shall forward a copy of the rezoning request to the following agencies for evaluation and recommendations: Engineering Department, City Surveyor, Fire Department, Public Works Department, utility companies, and other agencies who may be concerned. Planning staff shall review the rezoning application and supportive information for completeness and conformance with the Zoning Ordinance Regulations. The applicant will also be notified by mail of the date of the public hearing.

All departments and agencies shall have ten (10) working days from the date of receipt of the information to complete their review. Agencies shall submit their evaluation report to the appropriate staff member. No reply by an agency within the time limit specified shall be deemed as having no objection to the rezoning request.

4. **PUBLIC NOTICE**: At least fifteen (15) days prior to the hearing before the Planning and Zoning Commission, the planning staff shall post a notice on the property at strategic location(s), and a public notice shall be published in the local newspaper(s). A courtesy notice is sent by first class mail to property owners within 300 feet of the proposed rezoning action. Failure to receive a notice is not grounds to deny any request. Neighboring owners have the right to comment on the action, but do not have veto power over the request.

5. **PLANNING AND ZONING COMMISSION HEARING and ACTION:** Planning staff will present a written report concerning the rezoning request at a public hearing of the Planning and Zoning Commission. A copy of the report will be forwarded to the applicant. Planning and Zoning Commission meetings are held on the second Tuesday of the month at 5:30 p.m. in the Kingman City Council Chambers located at 310 N. Fourth Street in Kingman. The applicant, or designated representative, should be present to explain the rezoning request. Persons for or against the proposed rezoning request will be given the opportunity to be heard. The Planning and Zoning Commission will discuss the case and recommend approval or denial of the request. The Commission could also continue a request to gather more information or for another legitimate reason.
6. **CITY COUNCIL ACTION:** Any Planning and Zoning Commission recommendation, regardless of vote, is forwarded to the City Council for a second public hearing. The time and place of the City Council meeting will be announced at the Planning and Zoning Commission meeting, and is included in the initial public notice. City Council meetings are held the first and third Tuesdays of the month at 6:00 p.m., unless there is a State and/or Federal holiday. The City Council meeting held on the first Tuesday of each month is the normal meeting for action on rezoning cases. City Council meetings take place in the City Council Chambers located at 310 N. Fourth Street in Kingman.

The applicant, or their designated representative, should be present. Persons for or against the proposed rezoning are heard. Again, any Planning and Zoning Commission recommendation is reviewed by the Council.

7. **SUBSEQUENT ACTION:** An ordinance is prepared and considered by the Council if the Planning and Zoning Commission recommends approval of the request. If a denial is recommended the Council may uphold the denial. The Council may also direct that an ordinance be prepared for City Council action at their next regularly scheduled meeting. After Council approval action, said ordinance affecting change will be published and become effective in thirty (30) days. If denied, another rezoning application on the property for essentially the same request will not be accepted for one (1) year.
8. **CITY COUNCIL DECISION:** The decision of the City Council on the rezoning ordinance is final, unless a referendum petition is filed on an approved ordinance, in accordance with Arizona Revised Statute procedures. Any referendum on an approved rezoning ordinance stays implementation of the rezoning until the final decision by the voters in an election.
