

City of Kingman RFP No. 19 0829- Parks, Open Space Trails and Recreation Plan (POSTR)

Questions & Answers 7.11.19

- Is there a page limit requirement for the submittal? I did not see one noted and wanted to confirm

Answer: There is not a page limit.

- What role do you see for the Parks, Aquatic, Recreation & Golf Commission in the project?

Answer: To provide community input and make a recommendation to Council.

- I recall seeing this RFP in March as well. What can you say about the need to re-issue the RFP? Did you have poor or inadequate responses?

Answer: The proposals came twice as high as we had budgeted.

- What is driving the project timeline for completion in April? The might be a challenge with conducting community outreach between Thanksgiving and early January with holidays and the potential for folks to be unavailable or uninterested in getting involved during this timeframe.

Answer: The time line is set by the committee and we feel there is adequate time.

- As your first POSTR Plan, are there any current community or site management issues that would need to be addressed during the planning process?

Answer: This is not our First.

- Has the City conducted a citizen survey in the past couple years? Is an electronic copy available for review?

Answer: Yes it is on the website

- Will this project include review/approval by the Planning & Zoning Commission?

Answer: No; Parks, Aquatics, Recreation & Golf Commission and the Council.

- What do you anticipate will be the scope of the Civil Engineering portion of the Project?

Answer: That will be the responsibility of the Proposer.

- How extensive is the Scope of the Surveying/GIS Mapping and does the City of Kingman have existing Computer Base Files that would be available for our potential Design Teams use.
