## **Kingman City Parks and Cerbat Cliffs Golf Course Remain Open**

KINGMAN, Ariz. – The City of Kingman has over 20 local parks, trails, dog parks, and a beautiful 18-hole golf course that we invite people to enjoy, while adhering to CDC social-distancing guidelines. People can find more information on the City’s website:

<https://www.cityofkingman.gov/government/departments/parks-and-recreation>

“We are fortunate in Kingman to have access to outdoor spaces we can enjoy safely. Being outside is so important for both physical and mental health,” said City of Kingman Mayor Jen Miles. “We can still follow social-distancing guidelines, while enjoying our city parks, trails, or municipal golf course,” Miles said.

“Our Parks, Recreation and Golf Course team members are committed to keeping our open spaces accessible during the COVID-19 pandemic,” said City Manager Ron Foggin. “They are taking extra precautions at all our facilities, so our community can still take advantage of the outdoors,” Foggin said.

Parks and Recreation team members, along with Cerbat Cliff Golf Course, are sanitizing equipment, carts, and touch points to curtail the spread of COVID-19. They are also limiting access to the pro shop and grill, as to adhere to CDC social-distancing guidelines. They are also disinfecting with a bleach solution all park restrooms, benches, picnic benches, ramada areas, etc.

For updated COVID-19 information, please visit the city’s exclusive informational page:
